March 23, 2020

Dear Parent or Guardian:

At this time I must inform you that I am extending the closure period for all AOS 77 schools until Monday, April 27, 2020. During this time families will continue to receive meals and homework in the same manner that has been implemented by the individual schools your children attend.

During the week of April 20-24 (April Vacation) there will be no homework sent as we will observe April vacation but meals will still be provided.

Thank you for your continued cooperation and understanding during these challenging days as we continue to work on behalf of students in the safest manner available to us.

Sincerely,

Kenneth Johnson

Kenneth Johnson
Superintendent of Schools
AOS 77 – Sunrise County School System
